

## SOC Membership

Membership of the Scottish Ophthalmological Club is open to all Ophthalmologists in Scotland, and to those who have Scottish connections.

The membership fee is £10 annually, paid by standing order. However, membership entitles you to a discount on the meeting fee, so there is no net cost if you attend at least one meeting per year.

If you wish to join, please complete this form, including asking a current SOC member to propose you for membership.
